The Treasure Captures · Price list

Every price the website uses today, read from the code on 5 Nov 2026 (src/lib/catalogue.ts, data.ts, pricing.ts, the legal and services pages, and the photographer section), then checked against the client meeting notes (docs/meeting-notes.md, decisions of 20 Oct 2026). All amounts in Indian rupees.

15. Checked against your inputs: what needs fixing or confirming

Item	Finding
Hall / mahal surcharge	The venue step shows "+₹3,000 · stage lighting kit" for a mahal, but the quote never adds it, and it is not in your notes. Keep it (and charge it) or remove it?
Extra album sheets	The Terms page says ₹450 per extra sheet. The rate card gives 25–35 sheets +₹3,500 (₹350 a sheet) and 35–45 +₹4,500 (₹450 a sheet). One wording should be chosen.
Advance amount	The home announcement says "reserve with a ₹5,000 advance"; the Services and Terms pages say a 30 % advance.
Wedding packages at ₹786	The cart lists the real items (₹29,000–₹57,499) and then a large negative "package saving" to reach ₹786. Expected until the prices come in, but customers see an odd discount.
Package-only values not at ₹786	Portrait hour ₹2,250, candid individuals ₹2,250, A4 album ₹1,500, calendar ₹749, A4 frame ₹750, A3 frame ₹1,250, 10×28 paperback ₹5,000. These are internal splits so Silver adds up to ₹19,999; the customer only pays the package price. By your rule they would be ₹786. Should they be?
Unconfirmed sale prices	Magazine ₹2,500, mini book ₹3,500, model portfolio ₹12,000, commercial shoot ₹18,000 and pre/post-wedding ₹15,000 come from the Excel catalogue, not the meeting.
Commercial one-off shoot	Notes §9 say replace the ₹18,000 one-off with the two monthly plans. Both exist now, and the one-off still drives the commercial event packages.
Semi-candid video length	10–15 min on the add-on, 10–20 min in your Gold package notes.
Photographer plans	Confirmed ₹1,300 / ₹999 / ₹899 per month, site still shows ₹786 tiers (see §14).
Morning vs evening outdoor	Same price, on hold until the client gives the difference.
Venue fees TBD	Kadambavanam and Titan resort fees unknown (paid by the customer, not us).

Matches your inputs: traditional photo ₹12,500 and video ₹10,000; all candid styles and bundle maths; drone ₹13,000 (no mini); FPV ₹20,000; pendrive ₹1,000; semi-candid ₹10,000; reels ₹7,000; e-invite free / premium ₹1,500; LED wall, photo booth, 360° on request; album rate card 6,500 / 10,000 / 14,500; 10×28 album 34,999 / 37,999 / 39,999; Bronze / Silver / Gold 12,500 / 19,999 / 29,999 and the 24,999 / 34,999 options; outdoor looks ₹10,000 and mini ₹6,500; monthly plans ₹25,000 / ₹35,000; venue fees; crowd size free; session and overtime rules.
